

Group work – Contribution and Rating Chart

Complete the chart below in regards to the work done by all group members on this project.

Use the following scale to rate all group members:

- 1= member did not do this at all; poor participation, relied on others to do most of the work
- 3= member did an acceptable job with this; was cooperative and did his/her fair share of the work
- 5= member did an outstanding job; did his/her share of the work and contributed creative and well-thought out ideas

Members – SELF- _____ A- _____
 B - _____ C- _____
